Planning Director Sandi Watkins will present Resolution 2020-R-39 in support of CAMA Public Beach and Coastal Water Access Grant application for the South 10<sup>th</sup> Street kayak launch. Council approved submission of the CAMA pre-application on May 12, 2020, and is now asking for approval for the final grant application.

The grant will provide for the installation of an ADA (Americans with Disabilities Act) accessible kayak launch at the South 10<sup>th</sup> Street dock. The total project cost estimate is approximately \$45,000. The City is requesting \$33,750 in CAMA grant funds. If approved, a local match of 25%, or approximately \$11,250, would be required from the City.
