---

Mayor Jones will present a Proclamation recognizing Red Ribbon Week to Angel Golding-Fort, representing the Cherry Point Young Marines. The National Red Ribbon Campaign offers citizens the opportunity to demonstrate their commitment to drug-free lifestyles, and is celebrated October 23-31, 2020.

Cherry Point Young Marines is a community service organization that works with kids ages eight (8) through the completion of high school to teach them the importance of respect, responsibility, accountability, community service, appreciation of the military and veterans, and leading a healthy, drug-free life.

Mayor Jones urges all citizens to wear red ribbons during Red Ribbon Week, and participate in drug prevention education activities, not only during Red Ribbon Week, but throughout the year.
