SOLID WASTE			01/04/2022	02/07/2022					\$24.50

Starting now, anyone using online bill payments with your bank, will need to change the format of account number entered to: account number and customer number together. See highlighted areas above of where these numbers can be found on your bill. Example: 504999-70009027. It is important that it be in this order with the dash and no spaces. Using this format will allow payments to be automatically imported and posted directly to your utility account. Failure to use the correct format can cause your payment to be delayed in posting to your account, at which point late fees and disconnection fees may incur. If you have any questions concerning this please contact us at 252-726-6848 ext. 112 or 130. Any previous submitted payments will be honored. Thank you.
